Water Gear

It is our goal for campers to be able to enter the water each day Monday-Thursday. **Please pack swimwear that is appropriate for athletics and various water activities daily.** Regardless of the style of swimsuit (one or two-piece, tankini, board shorts, jammers, etc), swimwear must provide full coverage on the bottom, be comfortable, and securely stay in place without excessive adjustment. Swimwear should not be able to be unhooked, untied, or unzipped easily during activities.

Campers must also be able to change into and out of their swimwear on their own. If they are unable to or struggle, we highly recommend sending them to camp that day already in their swim gear. Campers are required to wear water shoes when getting into the bay. Campers will also need a towel. **Please write your camper's name on all their belongings (water bottle, towel, backpack, etc.) to help us ensure they make it home at the end of each day.**
