

# 4-H Camp Cloverleaf

## ENVIRONMENTAL EDUCATION PROGRAMS

Outreach experiential environmental education programs for grades K-12 are listed below!

Contact [cloverleaf4h@ifas.ufl.edu](mailto:cloverleaf4h@ifas.ufl.edu) for more information and to schedule an outreach program. Visit our website by scanning the QR code.

### HERPETOLOGY

Learn why reptiles and amphibians are important to our south Florida ecosystems. Have fun visiting with our live animal ambassadors during this interactive experience.

### WATER QUALITY ASSESSMENT

The health of Florida's wetlands is critical to our native ecosystems. Become a scientist as you gather data about the health of Lake Francis in your classroom.

### FISH DISSECTION

Through a fish dissection, students experience firsthand the value of investigating organisms. Students will observe & discuss the adaptations fish have to survive aquatic ecosystems.

126 CLOVERLEAF RD. LAKE PLACID, FL 33852
