Water Gear

On select days during the week, campers will need to bring water gear. Please pack swimwear that is appropriate for athletics and various water activities. Regardless of the style of swimsuit (one or two-piece, tankini, board shorts, jammers, etc), swimwear must provide full coverage on the bottom, be comfortable, and securely stay in place without excessive adjustment. Swimwear should not be able to be unhooked, untied, or unzipped easily during activities.

Campers must also be able to change into and out of their swimwear on their own. If they are unable to or struggle, we highly recommend sending them to camp that day already in their swim gear. Campers will also need a towel. Please write your camper's name on the towel to help us ensure it goes back home.
