Being a camp youth volunteer is a significant commitment and responsibility. We say this to stress the importance of providing the best team for the Florida 4-H Camping Program. To guarantee a safe and productive week for the Campers as well as for each participant, you must realize that YOU are a vital and essential part of the residential camp planning process and the overall program.

Camp Timpoochee is dedicated to providing job/life skill training to all youth. The application process is used as a tool to engage youth in hands on training experiences. The skills developed by filling out this application will enhance your opportunities throughout life.

- ✓ All applications must be typed or filled out in either blue or black ink.
- ✓ Applications should be neat and legible.
- ✓ All applicants should proofread carefully making sure they did not misspell words or use improper grammar.
- ✓ Be sure to use your full legal name and not a "nickname."
- ✓ Double check that every space is either marked with an answer or N/A (Not Applicable).
- ✓ Do not forget to have all signatures and dates.
- ✓ Always tell as much about your experiences as possible. Remember, this is your opportunity to "sell" yourself to the committee. This is referred to as "Work Force Preparation." If you don't tell us, we won't know.
- ✓ Remember your application should be clear, complete, and neat.
