4H Today!**

A Little Bit About Me

My name is Brooklyn Hansford and I am running to be your state council Secretary! I am 16 years old and a senior in Highschool. My main 4H projects are Horses, Cattle, and of course Leadership! This is my 3rd year in 4H, but I wish I had gotten into it much sooner. 4H has truly changed my life for the better! That's why one of the main goals of my platform is to encourage youth that it's never too late to start something new. Especially when that thing is Florida 4H!

My Platoform Goals

**Inform more intermediates
about state events and ways
they can stay involved in 4H
until its their turn to run it!**

**Encourage youth who have
never been interested in
leadership to try it out!**

**Create and promote
scholarship opportunities for
4H members that feel held
back by their families financial
situation.**

Why Are My Goals Important?

1

If Intermediates are excited to attend state events they may take more of a interest in their local 4H. Creating a more involved future for Florida 4H both locally and on the state level.

2

New people trying leadership means new ideas and perspectives that we may not have had before, this allows 4H to grow and improve at a faster rate then it already is!

3

If we can get more scholarships to youth that want to participate but are being held back by finances we will get more members that truly have a desire to be a part of this amazing community!

Lets Set Up The Future Of 4H Together!
