

ELLA-VATE YOUR LEADERSHIP

**VOTE ELLA MOREY FOR
TREASURER**

THE PAY IT FORWARD PROGRAM -----

If elected as Treasurer, I propose a new program to support financial accessibility to state events. As 4H works to constantly expand and provide opportunities to a larger audience, it is crucial that we have more programs in place to help offset the costs of these events. In effort to help 4-Hers in counties that do not have large enough programs to provide full scholarships to participants, I propose the Pay it Forward Program. This program would allow any graduating 4-H member to leave a lasting impact on our community by being able to sponsor a 4-H scholarship in their name.

This would not only open more opportunities to members who cannot afford full scholarships, but also encourage relationships between older, more experienced 4-Hers and younger members.

ABOUT ME

Hi everyone! My name is Ella Morey and I'm running to be your Florida 4-H State Treasurer. When I am elected, I will focus my efforts on increasing financial accessibility to all 4-H members through my Pay It Forward Program. I will also introduce new products available in the 4-H State Store to generate more revenue and show off our 4-H pride!
