Record Book
Winner**
- **2024 SVYLSS
Record Book
Winner**
- **2025 SVYLSS
Record Book
Winner**

Goal #1:

Advocate for Agriculture

As a 4-H State Officer, one of my top priorities will be to serve as a passionate advocate for agriculture. I will work to increase awareness and understanding of the agricultural industry among youth, schools, and communities across the state. This includes educating others about the origins of their food, the importance of supporting local farmers, and the diverse range of career opportunities in agriculture-related fields.

To accomplish this, I will participate in and help organize events such as Ag Literacy Days, classroom visits, farm tours, and social media campaigns that spotlight agricultural practices, sustainability, and innovation. My goal is to break stereotypes, celebrate ag diversity, and inspire the next generation to appreciate and possibly pursue agriculture in their future.

Goal #2:

Inspire 4H Members Around the State

My second goal is to uplift and connect with 4H members of all ages by being a mentor, role model, and source of encouragement. As a state officer, I want to be approachable and supportive, ensuring that every 4-Her, whether new or experienced, feels seen, heard, and inspired to grow.

I will do this by visiting local clubs, leading leadership workshops, supporting county events, and recognizing outstanding member efforts through shoutouts or social media spotlights. I want to help youth build confidence, explore new project areas, and develop the life skills that 4-H is known for. I believe strong youth leadership builds strong communities, and I want to help others discover their potential just as 4-H helped me discover mine

Goal #3:

Strengthen Community and Industry Partnerships

My third goal is to help grow the impact of 4-H by building strong connections between our program and local communities, businesses, and agricultural organizations. These partnerships not only provide valuable resources and sponsorships but also open doors for 4-Hers to gain real-world experience through internships, mentorships, and volunteer opportunities.

I plan to work closely with my fellow officers and extension staff to reach out to ag-based companies, alumni, and local leaders to create meaningful collaborations. This might include inviting guest speakers to events, setting up career panels, or coordinating service projects that benefit both 4-H and the community.

Why I want to be a State Officer

I want to be a 4-H State Officer because I love what 4-H stands for leadership, learning, and lifting each other up and I'm ready to take that to the next level!

This program has given me so many opportunities, from trying new things and meeting lifelong friends, to building confidence I never knew I had. Now it's my turn to give back in a big way.

Being a State Officer isn't just about wearing a jacket and giving speeches it's about showing up, making memories, cheering others on, and making a real difference across the state. I want to travel, meet other 4-Hers, hype up their projects, and help every member feel like they matter. I'm especially excited to advocate for agriculture and share why it's such a huge part of all our lives, whether you live on a farm or in the city.

I'm passionate, positive, and not afraid to get my hands dirty (literally and figuratively). I'm ready to bring energy, ideas, and heart to the officer team and I'd be honored to represent the amazing youth of our state.

Vote **✦ Kimberly ✦** **For State** **Council** **Reporter**

**Heart for service,
Lead by faith**

Goals:

- **Advocate for agriculture**
- **Inspire 4H Members**
- **Strengthen Collaborations**

Skills:

- **Public Speaking**
- **Communication**
- **Teamwork**
