

RING IN A REMARKABLE YEAR WITH ROSS AS REPORTER!

A sense of belonging positively impacts student achievement, mental health, and well-being. 4-H has the unique ability to create critical connections. **Less than 1.6% of Florida 4-H members currently engage in state level activities.** We can increase those numbers and link our members in new and fulfilling ways. **I want to bring Florida's 4-H members together.** Focus on what unites us, and spread the word about the amazing things 4-H is doing in the Sunshine State. **That will be my goal as YOUR State Council Reporter!**
