WHO AM I?

Hello, my name is Summer Wayne! I am 15 years old from St. Lucie County. I have been in 4-H in St. Lucie County for almost 5 years. In those 5 years, my main project focus has been with my equines; but I have also had a large focus on leadership development and other, smaller projects. I play several sports and enjoy physical activity. I am known to be a very positive and bubbly person, something I find to be quite a compliment. I take pride in my positivity and try to bring it to other people. One thing about me, is that I have a high value in new opportunities and knowledge. From my own experience I have found that there are so many things that we could do or be involved in that are not properly voiced to us. That is why I have decided to run for State reporter. As reporter, I would have the opportunity to help solve this problem for Florida youth and bring the many opportunities open to us to as many people as possible.
