## **FLORIDA 4-H LEGISLATURE**

Dear Legislature Participant,

Welcome to the 53rd session of the Florida 4-H Legislature! My name is AseyeShika Nukunya, your 2024-2025 Legislature Planning Committee Chair. I will be serving as your Lieutenant Governor during our session, and I can't wait to meet all of you in Tallahassee! Legislature (affectionately called LEG for short) is an exciting week, and I hope you are ready to lobby for (or against!) bills written by your Planning Committee, meet new people and build lasting friendships, and learn more about our Legislative process. Get ready to jump into your role as a Senator, Representative, Media Correspondent, or Lobbyist! LEG week is full of opportunities, such as our time in the capitol, and our opportunity to debate real-life, important topics, and I want you all to take advantage of everything. This opportunity will enable you to not only grow as a 4-Her, but as a civically minded individual as well.

Your 2025 Legislature Planning Committee has been working hard all year to plan this event. We all want you to have the best experience possible. If you have questions, or ever need assistance, you can identify the LEG Planning Committee members by their gold name tags. Please don't hesitate to ask them for help! They are prepared to help, whether you need help with the schedule, assistance with a bill, or aid locating your committee room. Your Planning Committee is here to help.

In order to fully prepare for LEG, I encourage every participant to read through the provided documents entitled Manual 1 and Manual 2, found on the Florida 4-H Legislature website. Understanding the contents of these documents will ensure that you feel comfortable in your assigned role. Manual 1 includes information about 4-H Legislature, parliamentary procedure for use within chambers and committee meetings, and information specific to each role. Manual 2 includes the bills which will be lobbied for and debated during the week at the capitol. A detailed schedule will also be provided on the Florida 4-H Legislature website. Please familiarize yourself with the schedule and be aware of the layout of each day, so you can be prepared for each activity.

As we move closer to LEG, I would encourage you to thoroughly read the provided bills and find the topics you are interested in. Research the background and context of the bill, so you can feel prepared during the week. By looking deeper into the bills, you can foster more involved debate, making LEG more impactful for everyone.

Again, I am so excited to meet all of you, and welcome you to Legislature! I understand that LEG is a big event; my first year, I felt overwhelmed, but by the end of the week, I had found my new favorite 4-H event. My advice: take some deep breaths, prepare yourself, and engage in these important discussions. Preparation and research will not just make the event better for you, but it will allow different, maybe even opposing, opinions and beliefs to be voiced and heard. I hope you all enjoy the our amazing Legislature event!

Sincerely,

AseyeShika Nukunya

# DECORUM AND DEBATE

---

## Gavel Raps

Members must understand and respond promptly when the presiding officer raps the gavel.

- 1 rap – The chamber will come to order.
- 2 raps – Members will rise.
- 3 raps – Members stand and applaud (usually when a guest enters the chamber – continue until one (1) rap brings order).

## Decorum and Debate

- When a legislator wants to speak, they will stand and address the presiding officer by saying:
  - Senate: “Mr. President” / “Madame President”
  - House: “Mr. Speaker” / “Madame Speaker”
- When recognized, a member shall say (a) their name; and (b) county. If a member doesn’t follow this rule, the 4-H legislator may be ruled out of order and is likely to lose the right to speak.
- When two or more 4-H legislators stand at the same time, the presiding officer will decide who is to speak first and that decision will be final.
- The sponsor of a bill shall have the right to make opening and closing remarks in debate on the floor of the chambers. So, a bill sponsor should be prepared.
- Once the presiding officer has set the time limit for debate, the member speaking must “yield their time” by saying “I yield my time to a like speaker,” or “I yield my time to \_\_\_\_\_ (specific member’s name)” in order to continue that round of debate. However, the presiding officer may or may not allow the “yielding of time to a specific member.” If time is not yielded, the presiding officer states “Time was not yielded” and the debate is ended or reverts to the opposing view.
- When a legislator is recognized by the presiding officer and obtains the floor, their remarks must pertain to the subject under debate, avoiding personal comments about others. Failure to do so will result in the presiding officer calling the legislative member out of order and the member loses their right to speak. A member continuing to speak improperly may be ordered to take a seat by the presiding officer.

## Voting

- The presiding officer may take any vote by voice vote. This will be done by asking those who are voting for the proposition to signify by saying “aye.” Then those against the proposition will signify by saying “nay.” If the presiding officer is in doubt as to the outcome, they may proceed by asking for a standing vote (use of the voting machines) of those “for” and “against.” The count then determines the outcome.
- A member/legislator who is unsatisfied with a voice vote may call for “division” which allows for a standing vote. The presiding officer then has the discretion to ask for a standing vote.

# First Committee meeting

## Proper Language

**Chair:** I call this meeting of the \_\_\_\_\_ Committee to order at \_\_\_\_\_ a.m./p.m.

**Chair:** I need a volunteer to serve as Committee Secretary.

(Or, if you have already appointed one, which is preferable, then simply announce who you have appointed.) The Secretary will call roll, determine if a quorum is present, and keep the record of votes taken.

**Chair:** Bill Sponsors you have all been assigned 1 or 2 bills to sponsor. In a few minutes you will each be called upon to introduce your bills.

**Chair:** Secretary please call roll.

**Secretary:** We will now call the roll. (Call names from the list of members for your Committee.)

Mister/Madam Chairman \_\_\_\_\_, a quorum is present.

You must then give your name and county before addressing the committee. Any questions you have should be directed to me as the Chair. Always be sure to use correct parliamentary procedure.

Later on we will rank the bills before this committee from 1-10 in order of importance, so that the most important issues will be dealt with first in debate. As members present their bills, please make notes on your bill copies in your manual so you can make a determination of the bill's importance when asked.

Please simply talk about the bill's intent and why it is important. We will begin with the sponsor of \_\_\_01.

(Give everyone time to finish the process)

**Chair:** I will now call each bill number one at a time. As I call each bill number, each of you, as called, will give that bill's ranking. The Secretary will keep a record of the ranking for each bill and priority will be given to the bill with the lowest score, meaning that it received the most first choice votes.

(after all the votes have been tabulated and added)

**Chair:** Secretary will now announce the bill calendar.

**Secretary:** The order of consideration for bills is: (announces committee bill calendar)

# MOTIONS

*Any legislator may make any motion by addressing the presiding officer in the usual manner and then stating the motion. When a motion has been made, the presiding officer shall state it to the membership for consideration, the membership will then cast their vote for or against the motion.*

- **Main or Principal Motion**

When a motion is made, the presiding officer shall restate it; if in writing, it shall be read aloud by the clerk. At the discretion of the presiding officer, every motion and/or amendment may be required in writing. Passage of a bill is an example of a main motion.

- **Subsidiary Questions**

- **Amendment (Vote required — Majority)**

Any main motion may be amended. An amendment must also conform to the subject matter of the main motion. Only one amendment to an amendment can be offered.

*"Mr. President/Madam Speaker, I move to amend the motion to....."*

- **To Convene the Committee of the Whole (Vote required — 2/3)**

This, in effect, allows the entire chamber to enter into informal discussion without formality other than recognition by the chair. Instead of pro/con debate rounds, any member may speak for either side.

*"Mr. President/Madam Speaker, I move to convene the committee as a whole (for x minutes)"*

- **End debate (Vote Required — Majority)**

This is an important motion. Its effect shall be to cut off all debate and bring the House to a direct vote, first upon the pending amendments, if there are any in their order, and then on the main question.

*"Mr. President/Madam Speaker, I move to end debate"*

- **To Lay on Table (Vote Required — Majority)**

Its effect is to postpone action on a motion but it permits the re-introduction of the motion at a time during that or the next session. It is usually proposed when the author is unable to supply the necessary information requested by his opponent. It is not debatable; the sponsor has 2 minutes to present reasons for its adoption.

- **Incidental Motions**

- **Suspension of the Rules (Vote required — 2/3)**

This is a motion to suspend the operation of the rules of order that the particular body has adopted in order to permit consideration of some pressing matter out of its usual place.

- **Withdrawing a Motion (No vote required)**

When a motion is before the chamber, the mover may withdraw it by rising and moving its withdrawal. No one but the maker of the original motion can move to withdraw.

- **Points of Order (No vote required)**

A legislator, rising to a Point of Order, need not be recognized. The point of order must pertain to the rules and nothing else.

*“Madam President/Mr. Speaker, I rise to a Point of Order.”*

- **To Adjourn or Recess (Vote Required — Majority)**

This is a highly privileged motion and must be for a certain time. A motion to adjourn takes precedence over a motion to recess.

*“Madam President/Mr. Speaker, I move that the Senate/House does now adjourn at \_\_\_ a/p.m.”*

*“Madam President/Mr. Speaker, I move that the Senate/House does now recess until \_\_\_ a/p.m.”*

*To recess at a certain time: “Madam President/Madam Speaker, I move that the Senate/ House adjourn upon the final consideration of Bill No. \_\_\_.”*

- **To Amend a Bill (Vote Required — Majority)**

The majority of all motions may be made orally, but amendment motions must be made in writing and must amend the proper section of any legislative matter to be effective. An amendment may be offered to any proposition by any member at the time the proposition is before the membership for consideration. An amendment is adopted by majority vote.

- **Postpone Indefinitely (Vote Required — 2/3)**

The effect will be to kill the bill with any pending amendments on the desk or proposition by a 2/3 vote.

*“Madam President/Mr. Speaker, I move that House Bill No. \_\_\_ be indefinitely postponed.”*

*To fail to pass a bill outright: “Mr. President/Madam Speaker, I move that we strike the enacting clause,” (must be in amendment form) OR “I move that we table the bill indefinitely,” (may be vocalized).*

- **Reconsider a Vote (Vote Required — 2/3)**

This motion is made when a vote has been taken and a member desires, to reconsider the vote by which the bill, amendment or proposition was passed or defeated. If the motion carries, it brings the matter back before the membership for further consideration. Any member who voted on the prevailing side may make it, and the motion can be adopted. No question can be reconsidered more than one time.

*“Mr. President/Madam Speaker, I move that the Senate/House do now reconsider the vote by which Bill No. \_\_\_ passed (or failed to pass).”*

- **To ask a question about parliamentary procedure: (Hypothetical question)**

*“Mr. President/Madam Speaker, Point of Parliamentary Inquiry.”*

- **Call the Previous Question (Vote Required — 2/3)**

Any member can call for the previous question. The adoption of such a motion ends debate and kills any amendment on the desk which has not been brought to the floor. It brings the main questions to a vote, along with any amendments that have already been passed. Sponsors will be allowed a final summation.

*“Mr. President/Madam Speaker, I move the Previous Question of the passage of bill\_\_\_.”*

- **Call the Question on the Amendment (Vote Required — Majority)**

This motion ends debate and moves for an immediate vote on the amendment. Sponsors of the amendment get no final summation. Whether the amendment passes or fails, the presiding officer goes on to the next amendment on the clerk’s desk.

*“Mr. President/Madam Speaker, I move the Previous Question of the adoption of amendment\_\_”*

- **To Take Up A Bill Out of Its Regular Order and Place It At Some Point On The Calendar Other Than At the Top (Vote Required — 2/3)**

The motion is made that the rules be waived and that the bill be placed at a designated place on the calendar.

*“Mr. President/Madam Speaker, I move that the rules be waived and that Bill No. \_\_\_ be placed at position # \_\_\_\_ on the calendar.”*

- **To Take a Bill Out of Its Regular Order and Place It At the Top Of The Calendar (Vote Required — Unanimous)**

*“Madam President/Mr. Speaker, I move that the rules be waived and that Bill No. \_\_\_ be placed at position #1 on the calendar.”*

- **To Place A Bill On The Calendar Despite An Unfavorable Committee Report (Vote Required — 2/3)**

The sponsor of this motion will be given two (2) minutes to present his reasons for adoption. Not debatable. Vote will immediately follow the sponsor’s statements.

*Madam President/Mr. Speaker, I move that Bill No. \_\_\_ be taken from the table and placed on the calendar — the unfavorable report of the committee to the contrary notwithstanding.”*

- **To give the rest of your time to someone who supports your side:**

*After debate statement: “I yield my time to a likeminded (or unfavorable) speaker,” OR “I yield my time to \_\_\_\_ (name a specific speaker).”*

- **As the bill sponsor, you can give up the right to summarize the bill:**

*“I waive my right to summation.”*

- **Point of Clarification**

*“Madam President/Mr. Speaker, Point of Clarification, please.”*
