

# Fostering Kits - Activity 1

***Give a presentation on fostering techniques or orphaned kit care***

You have learned about fostering kits with dams and hand raising orphaned kits, but can you teach someone else about it? Give a presentation on fostering techniques or orphaned kit care. You can give an Illustrated Talk, a Demonstration or develop an educational piece (pamphlet, brochure, or poster) as part of your presentation.

**OUTLINE YOUR PRESENTATION**

Main topic:

Type of presentation:

Key points to be covered:

Take a photo or make a sketch of your presentation.

**REFLECT/APPLY**

Why did you choose that topic and method of presentation?

Who do you feel could benefit from your presentation?

Was your presentation effective? How do you know?

How could you improve your presentation?
