

ACTIVITY 2-1

Housing and Equipment - Activity Option 1

Consider how you would change this rabbit cage so that it is better suited for your rabbit project. What equipment is it missing? Now sketch that equipment on the cage and make a list of the equipment and its cost below.

Equipment and Cost:

Reflect/ Apply Questions

1. How will these changes affect your rabbit?
2. Would it be better to make the changes to this cage or make one from scratch?
(consider cost and time)
3. Depending on your rabbit breed your rabbit's cage will have specific requirements. How does your home meet your specific requirements?
4. What changes will you have to make to your rabbit's cage during the summer and winter months?
