

ACTIVITY 2-3

Housing and Equipment - Activity Option 3

Design your own multi-purpose rabbit table. Consider uses such as grooming and tattooing, as well as practical design such as folding or motility. Use the space below to sketch your design, include measurements and a list of materials.

Materials:

Sketch:

Reflect/ Apply Questions

1. What was the hardest part?
2. What will you use this multi-purpose table for?
3. How can equipment that is versatile, can be used for more than one thing, help you work faster?
4. What can you do to improve this table?
