

# ACTIVITY 3-1

## Nutrition for Show Rabbits - Activity Option 1

Use what you have learned about rabbit nutrition to determine which rabbit feed is better for your rabbit. Make sure that the feed meets the necessary nutritional requirements for the rabbits, that it does not contain fillers, and that its cost is reasonable.

### Nutty Bunny Feed

**Protein:** 21%  
**Fiber:** 10%  
**Fat:** 8%  
**Cost:** \$19.00

### Rabbit Chow

**Protein:** 16%  
**Fiber:** 17%  
**Fat:** 2%  
**Cost:** \$16.00

### Show Fancy Feed

**Protein:** 12%  
**Fiber:** 14%  
**Fat:** 1%  
**Cost:** \$25.00

### Rabbit Feed

**Protein:** 16%  
**Fiber:** 18%  
**Fat:** 2%  
**Cost:** \$10.00

## Reflect/ Apply Questions

1. Which feed did you choose?
2. What factors did you consider when choosing this feed?
3. How can the feed names and appearance be misleading?
4. How will this activity help you choose a feed for your show rabbit?
