

Record Keeping - Activity Option 2

Prepare and give a presentation that will explain which records are needed in each scenario, what the records do and why they are important.

*Records that will help you choose a show quality rabbit.
Records that a show rabbit will need in order to compete.
Records that should be kept on rabbits under your care.*

Make your presentation creative! Here are a few unique presentation ideas:

- *Make a video*
- *Design a PowerPoint presentation*
- *Create an informative brochure*
- *Post your presentation on the web*

Use the area below to outline your presentation.

Reflect/ Apply Questions

1. How did you deliver your presentation?
2. Was your presentation effective?
3. How will this presentation help others?
4. What can you do to improve your presentation?
