

# ACTIVITY 6-2

## Cage Care - Activity Option 2

*Make a step-by-step instructional brochure on how to clean a carrier or cage. Include a picture along with each step. Make a list of the necessary materials and supplies; be sure to include an estimated cost for these items. Use the space below to outline what will go on your brochure, include a copy of your final brochure.*

**Note:** *To make a brochure use a sheet of paper folded into three parts, each part will be a page that contains information on the topic that the brochure covers.*

**Steps**

**Picture**

**Materials**

**Supplies**

## Reflect/ Apply Questions

1. How could this brochure benefit others?
2. What are the benefits of frequent cage and carrier cleaning?
3. How else could you present this information?
4. Where would you be able to distribute your brochure?
